

DANISH AGRO INDUSTRY | STABLE SOLUTIONS

Dan Egtved A/S is a market-leading supplier of equipment for cattle stables.

COMPANY PROFILE

Dan Egtved A/S, founded in 1922, produces equipment solutions for cattle, pigs and horses. The company's own sales representatives cover the sales in Denmark and the southern part of Sweden. Sales in the rest of Scandinavia and in Germany are handled by local distributors. Dan Egtved A/S has exported its services since the 1960s and is mainly exporting to Germany and Scandinavia. The company's leading market position has been reached through a conscientious partnership with the customers.

PRODUCTS

For cattle Dan Egtved A/S provides a wide range of equipment, water troughs, mats/mattresses and natural ventilation. For horses, strong penning solutions in different qualities are produced. For the Swedish market the company has for more than 40 years offered strong penning solutions for pigs.

A wide range of accessories to follow the stable equipment is sold through subsidiary Dan Egtved AgroTeknik.
